PROFILE

Full-Stack Web Developer with a background in Linguistics and Education. A detail-oriented and solution-focused team player. My passion for building dynamic, innovative, and beautiful web applications has helped my teams in achieving multiple awards in best UI/UX. Striving for continued growth through education and refinement of skills in a field that is fast-paced and continuously evolving. My adaptability to changes in this unpredictable field and resilience towards problem-solving makes me a strong addition to any development team.

EXPERIENCE

PRIMARY SCHOOL TEACHER

AMERICAN PACIFIC INTERNATIONAL SCHOOL | PHNOM PENH | 2016 - 2019

Taught English and Science core subjects while working in collaboration with other subject instructors for co-teaching and creating student success action plans. Collaborated with teaching aides in assigning and checking homework, implementing formative and summative assessment, preparing daily and weekly lesson plans, and designing and decorating the classroom. Utilized technology in the classroom to help students visualize new academic concepts.

Key Accomplishments:

- Received training and certification in International Primary Curriculum (IPC)
- Responsible for running the grade one IPC afternoon program
- Created and maintained a class blog:.
  https://english--adventures.blogspot.com/

ENGLISH LANGUAGE TEACHER

WESTERN INTERNATIONAL SCHOOL | PHNOM PENH | 2011- 2016

Taught students from Kindergarten to middle school levels, with a focus on the four main language skills (reading, writing, speaking, and listening) in an academic environment. Utilized project-based learning and inquiry-based instruction strategies in the classroom to build student involvement and interest.

Key Accomplishments:

- Awarded teacher of the semester for four consecutive years (2012 - 2016) as voted on by students and supervisors.
- Gained experience in teaching a diverse range of age levels
